Why Sage Intacct Real Estate is Replacing Yardi as the Preferred Real Estate Software Platform

By: [Bill Constantopoulos](#), Partner

In the real estate and construction world, software solutions are an indispensable tool for streamlining financial management, accounting, and reporting. As the need for these solutions grows, two of the most prominent software platforms designed specifically for the industry are Sage Intacct Real Estate and Yardi. Both software solutions offer a range of features and benefits that can help companies in the industry to optimize their operations. But the more recently introduced Sage Intacct Real Estate has proven to have several advantages over the legacy Yardi program. Read more [HERE](#).

Vigilance Can Reduce Family Medical Leave Act Cheating

The purpose of the Family Medical Leave Act (FMLA) was to allow sick or injured workers time to recover without losing their jobs. The same is true when an employee has a sick or injured family member who requires care. Unfortunately, some workers have treated the FMLA as extra time off to be used as they wish. If you suspect this is happening in your workplace, there are remedies. Read on for details.
