Why Sage Intacct Real Estate is Replacing Yardi as the Preferred Real Estate Software Platform

By: [Bill Constantopoulos](#), Partner

In the real estate and construction world, software solutions are an indispensable tool for streamlining financial management, accounting, and reporting. As the need for these solutions grows, two of the most prominent software platforms designed specifically for the industry are Sage Intacct Real Estate and Yardi. Both software solutions offer a range of features and benefits that can help companies in the industry to optimize their operations. But the more recently introduced Sage Intacct Real Estate has proven to have several advantages over the legacy Yardi program. Read more [HERE](#).
