It's Not Too Late to Get Your Employee Retention Credit

Eligible businesses that have not applied for the Employee Retention Credit (ERC) still have time to take advantage of this pandemic stimulus program. ERC refunds are available for eligible employers to harvest.

But be careful! The IRS has warned employers to be wary of third parties advising them to claim the ERC when they may not qualify. Some of these service providers are also pressuring curious business owners to file quickly to meet looming deadlines. This false sense of urgency is simply not true.

Protect Your Most Prized Possessions

Intellectual property can be one of the most important assets your business has. The issue of ownership, however, can be murky when that property is developed by employees or independent contractors. This article provides guidelines on how to ensure your company actually holds the rights to the software and other intellectual property that is essential to its survival.

What Employers Should Know about Health Savings Accounts

Health Savings Accounts (HSAs) have become a popular employee benefits option. Are they right for your business? HSAs offer tax advantages to employers and employees — and they allow employees to build up a tax-favored medical expense reserve for when they're older. Here's information to help you decide whether to jump on the HSA bandwagon.
