Family Business

Succession Planning: Splitting Up the Pie

Imagine a family dinner. One sibling gets a huge piece of pie and the others get tiny slivers. The mood at the table would probably not be very good. Likewise, as part of the process of picking a successor, many family business owners struggle to compensate siblings who

were not chosen to run the company. This articles offers some helpful thoughts on handling the situation fairly for everyone.

Operations

Safely Expanding Your Business Operations

Is now the time to really grow your business? The answer will depend on various specifics about your company, such as its mission and its market. One thing, however, is usually true: Businesses that fail to grow tend to not last very long. Competition is fierce in most every industry. This article discusses some sound practices in planning and executing a business expansion.
