Family Business

A Family Business Does Not Have to Be a Casualty of Divorce

The end of a marriage. For most people, the mere thought of it raises many emotions, memories and questions. When a divorce affects a family business, the impact is multi-fold; however, among the primary concerns is often how the value of the company is calculated when the divorcing spouses disagree on the subject. This article examines some of the crucial issues involved.

Management

Take a Last Resort Stand on Layoffs

When times get tough, tough companies try to keep their staffs intact. It might seem at first glance that laying off employees is a good way to cut costs. But before you eliminate any positions, take a look at these eight strategies for trimming costs and boosting skills instead of saying farewell to workers.
