What's the Difference Between a CFO and a Controller?

By: [Pamela Cedrone](#), Director

Growing businesses in need of enhanced financial management and direction can fall into the trap of confusing the roles of Controller and Chief Financial Officer (CFO). They are not the same. While both positions are integral to financial management, they serve fundamentally different purposes within an organization's structure and strategy. Read more [HERE](#).

Benefit Tax Issues

Tax-Wise Way to Pay Medical Costs

There's an option to pay for out-of-pocket health costs. It's called a Health Savings Account and it provides individuals and businesses a tax-advantaged vehicle to pay medical bills. And unlike flexible spending accounts which have a "use it or lose it" feature, you don't have to zero out the account every year. You can carry over any unused portion to the next year. Here are the details.

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
