Strategic Tax Planning for Manufacturing and Distribution Under OBBBA

The signing of the One Big Beautiful Bill Act on July 4, 2025 represents a watershed moment for financial leaders in the manufacturing and distribution sectors. This sweeping tax legislation fundamentally reshapes the strategic tax planning landscape, creating both substantial opportunities and new complexities that demand immediate attention from CFOs and Controllers. For businesses that move physical goods through production facilities and distribution networks, the implications extend far beyond simple compliance. They touch every aspect of capital planning, cash flow management, and competitive positioning.

Plan Ahead to Make Disability Benefits Tax-Free

Expect the best, plan for the worst. Many family business owners and execs obtain company-paid disability insurance to protect against a disabling event or serious illness. But federal income taxes can erode the value of long-term disability insurance. This article explains the rules and explores an intriguing strategy that can transform taxable disability benefits into tax-free dollars.
