#### Protecting Margins in an Era of Volatile Material Costs

By [Derrick Rebello](#), CPA & [Brad Carlson](#)

If you've worked in construction for a while, you remember when material prices were just a simple number. You'd call a supplier, get a quote, add it to your estimate, and move on. Those days are gone. Although the wild swings from 2020 to 2022 have calmed a bit, "stabilized" doesn't mean "predictable." Read the full article [HERE](#), and [visit our website](#) to learn more about our Construction Practice and other areas of specialization.
