Find Problems With Benefit Plans Before the IRS Does

The IRS conducts audits involving qualified employee benefit plans. The ultimate punishment the IRS can impose is disqualification of a plan. There are also penalties and fees that can be devastating to a business. Fortunately, an employer might be able to identify and correct some problems before an audit. Here's a list of compliance errors, along with IRS programs to fix inadvertent problems.

Benefit Tax Issues

Tax-Wise Way to Pay Medical Costs

There's an option to pay for out-of-pocket health costs. It's called a Health Savings Account and it provides individuals and businesses a tax-advantaged vehicle to pay medical bills. And unlike flexible spending accounts which have a "use it or lose it" feature, you don't have to zero out the account every year. You can carry over any unused portion to the next year. Here are the details.

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
