Family Business

Sec. 6166: Help For Family Businesses with Estate Tax Bills

Even with high current exemptions, gift and estate taxes can place a burden on families with significant wealth tied up in closely held businesses. Internal Revenue Code Section 6166 may be able to provide relief by allowing the estates of family business owners to defer estate taxes or pay them in installments.

Protect Your Intellectual Property with a Legally Sound Agreement

If your business owns intellectual property (IP), it may be among your most valuable assets. The issue of ownership, however, can be murky when that IP is developed by employees or independent contractors. This article explains why, as a business owner, you and your attorney should draft a sound legal agreement that retains the rights to any IP produced by or for your company.

Business Tax

Can I Claim the QBI Deduction for My Small Business?

The qualified business income (QBI) deduction is an important provision in tax law. The write-off, which first went into effect in 2018, is now permanent and available to eligible individuals. Pass-through businesses report federal income tax items to their owners, who then take them into account on their personal returns. Here's are the basics of this potential tax-saver.

Disclaimer of Liability

Our firm provides the information in this e-newsletter for general guidance only, and does not constitute the provision of legal advice, tax advice, accounting services, investment advice, or professional consulting of any kind. The information provided herein should not be used as a substitute for consultation with professional tax, accounting, legal, or other competent advisers. Before making any decision or taking any action, you should consult a professional adviser who has been provided with all pertinent facts relevant to your particular situation. Tax articles in this e-newsletter are not intended to be used, and cannot be used by any taxpayer, for the purpose of avoiding accuracy-related penalties that may be imposed on the taxpayer. The information is provided "as is," with no assurance or guarantee of completeness, accuracy, or timeliness of the information, and without warranty of any kind, express or implied, including but not limited to warranties of performance, merchantability, and fitness for a particular purpose.

The information contained in this communication (including any attachments and/or re-directs to other online sources) is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the Internal Revenue Code.

Webinar content is intended for educational purposes only. Webinars provide a brief summary based on our understanding and interpretation of current law. All tax references are to federal tax law only, unless otherwise stated. The information contained in the webinars is general in nature and is based on authorities that are subject to change. It is not, and should not be construed as accounting, legal or tax advice or opinion provided by Gray, Gray & Gray, LLP. The material presented may not be applicable to, or suitable for, specific circumstances or needs, and may require consideration of non-tax factors and tax factors not described herein. Contact Gray, Gray & Gray or another tax professional prior to taking any action based upon this information. Changes in tax laws or other factors could affect, on a prospective or retroactive basis the information contained herein; Gray, Gray & Gray assumes no obligation to inform the reader/webinar attendee of any such changes. The material presented is not intended to, and cannot be used to, avoid IRS penalties. This material supports the marketing and promotion of accounting services. Seek advice based on your particular circumstances from independent tax, legal accounting, insurance, investment, and financial advisors.
