Family Business

Succession Planning Requires Smart Strategies

Family businesses often run on assumptions. This can be a fatal mistake for the business when it comes to succession planning, as a family-run company may not make it to the next generation without one. This article explores some of the big-picture strategies that can help a family business create a solid succession plan.

Benefits Administration

Two Perspectives on the FMLA

Since its passage, the *Family and Medical Leave Act* (FMLA) has caused many employers to voice concerns about the effects on business operations. This is one reason the Department of Labor put together a report describing the FMLA experiences of both managers and employees. Keep reading to learn some comments from the report which details the strengths and weaknesses of the law.
