Massachusetts Hits the Brakes on Federal Tax Changes for Business

Massachusetts lawmakers have reached an agreement on a $1.56 billion spending package. But buried inside it is a tax provision that every Massachusetts business owner should be aware of: the state will not follow the federal government's lead on business expensing, at least not right away.

Personal Tax

Handle with Care: The Nanny Tax Rules

If you hire domestic or household workers, you must follow complex tax laws based on whether the worker is an employee under your control or an independent contractor. Disregarding the tax rules can result in an expensive liability — even years from now. Here's what you need to know.

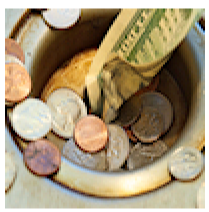
Benefits Administration



Are You Wasting Money on Some Benefits?

Many employers are wasting money on some of their benefit offerings. This was the conclusion of one study which looked at employer and employee views on benefits. In some cases, organizations are wasting money on inadequate benefits and benefits some employees don't want... while other employers aren't investing enough in what their staff members do want. What should you do about it? Keep reading to find out.
