Why Employers Should Beware of 401(k) Related Liability

Studies have consistently shown that your workplace retirement plan is among the benefits most valued by employees. A quality pension or 401(k) program, complete with good investment choices, low costs and a generous employee matching contribution is a powerful incentive for top talent to join your firm and for your best employees to stay with you for many years.

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
