Family Business

Sell the Family Business the Tax-Smart Way

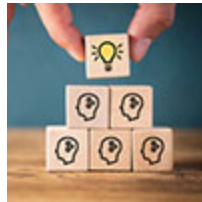

Hanging out the "For Sale" sign is a big decision for any family business. The owner or co-owners obviously want to maximize the after-tax sales proceeds, but buyers will have objectives all their own. This article provides an in-depth discussion of the important steps to selling a family business with minimal tax impact.

When Companies Share Intellectual Property for Mutual Benefit

When two or more businesses agree to share their intellectual property for mutual benefit, the potential gains can be considerable. But as the project begins, the excitement of the benefits may preclude thinking about what could go wrong. To help reduce the inherent risks of collaborating with another entity, this article identifies and explores nine steps that may protect your organization.
